A special night of entertainment

presented by Genworth Financial 

Dear Friends,

As we enter this new decade, we look forward to marking an amazing milestone: the 15th edition of the Grand Slam for Children. Since 1995, this event has brought together international stars – from music to comedy – to build awareness and raise money for the work of the Andre Agassi Foundation for Education. The 2010 Grand Slam will take place October 9 at Wynn Las Vegas.

We have been fortunate to count on your incredible support and humbled by what we've been able to achieve over the years. Our work is directly impacting students in Las Vegas, and it has far broader implications. Here in our community, and around the country, there's still more to be done. But the Grand Slam is a moment for us all to realize the power we have to make a difference.

The Foundation is transforming public education in order to create opportunities for children. One way it does that is through the Andre Agassi College Preparatory Academy. Half of this K-12 public charter school's annual operating budget comes from the Grand Slam.

By joining us at the Grand Slam, you become part of a movement that's improving education for all children and allowing them to shape their own destinies. We look forward to seeing you October 9 at Wynn Las Vegas. It will be an anniversary to remember.

Sincerely,

Andre Agassi
