Legislative Counsel’s Digest:
Existing law authorizes the formation of charter schools and authorizes school districts, the State Board of Education and colleges and universities within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.500-386.610) Sections 17-27 of this bill create the Nevada Charter School Institute and prescribe the membership of the Charter School Institute. Section 30 of this bill removes the authority of the State Board of Education to sponsor charter schools and authorizes the Nevada Charter School Institute to sponsor charter schools. (NRS 386.515) Sections 35 and 41 of this bill authorize the Nevada Charter School Institute to adopt regulations relating to charter schools and eliminates the authority of the Department of Education and the State Board of Education to adopt regulations relating to charter schools. (NRS 386.540, 386.578) Sections 50 and 51 of this bill require the Director of the Nevada Charter School Institute and other persons employed by the Charter School Institute to be appointed or hired, as appropriate. Section 52 of this bill requires the members of the Charter School Institute to be appointed. Section 55 of this bill transfers the sponsorship of all State Board-sponsored charter schools to the Nevada Charter School Institute. Section 47 of this bill repeals the Subcommittee on Charter Schools of the State Board of Education. (NRS 386.507)
Section 27 of this bill creates the Account for the Nevada Charter School Institute and authorizes the Institute to accept gifts, grants and bequests for deposit in the Account. Section 48 of this bill requires the Interim Finance Committee, upon request of the Superintendent of Public Instruction, to determine if a sufficient
amount of money has been deposited in the Account for the Nevada Charter School Institute to establish and operate the Institute. If the Interim Finance Committee makes such a determination, the provisions of this bill creating the Nevada Charter School Institute and setting forth its duties and responsibilities will become effective.

to prepare the charter school for operation. A written charter issued
pursuant to this subsection must not be designated as a conditional
charter or a provisional charter or otherwise contain any other
designation that would indicate the charter is issued for a temporary
period.

8. The holder of a written charter that is issued pursuant to
subsection 7 shall not commence operation of the charter school and
is not eligible to receive apportionments pursuant to NRS 387.124
until the sponsor has determined that the requirements adopted by
the Charter School Institute pursuant to subsection 7 have been satisfied and that the facility the charter school will
occupy has been inspected and meets the requirements of any
applicable building codes, codes for the prevention of fire, and
codes pertaining to safety, health and sanitation. Except as otherwise
provided in this subsection, the sponsor shall make such a
determination 30 days before the first day of school for the:

(a) Schools of the school district in which the charter school is
located that operate on a traditional school schedule and not a year-

(d) The charter school offers instruction on a daily basis during the school week of the charter school on the campus of the charter school; and

(e) At least 75 percent of the pupils enrolled in the charter school who are required to take the high school proficiency examination have passed that examination, if the charter school enrolls pupils at a high school grade level.

2. A charter school that satisfies the requirements of subsection 1 shall submit to a performance audit as required by the Charter School Institute one time every 3 years. The sponsor of the charter school and the Charter School Institute shall not request a performance audit of the charter school more frequently than every 3 years without showing good cause for such a request.
3. A charter school that does not satisfy the requirements of subsection 1 shall submit a quarterly report of the financial status of the charter school if requested by the sponsor of the charter school.

Sec. 38. NRS 386.570 is hereby amended to read as follows:

386.570  1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of a school year, the sponsor of a charter school may request reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship for that school year if the sponsor provided administrative services during that school year. The request must include an itemized list of those costs. Upon receipt of such a request, the governing body shall pay the reimbursement to the [board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors sponsor of the charter school. If a governing body fails to pay the reimbursement, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:
(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

4. **If the Charter School Institute is the sponsor of a charter school, the amount of money that may be paid to the Institute pursuant to subsection 3 for administrative expenses in 1 school year must not exceed 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.**

5. If [the State Board or] a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the [Department or to the] institution [as applicable] pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124.

6. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

7. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

8. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members
of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The Charter School Institute may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

9. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

Sec. 39. NRS 386.576 is hereby amended to read as follows:

386.576 1. The Fund for Charter Schools is hereby created in the State Treasury as a revolving loan fund, to be administered by the Charter School Institute.

2. The money in the revolving fund must be invested as other state funds are invested. All interest and income earned on the money in the revolving fund must be credited to the revolving fund. Any money remaining in the revolving fund at the end of a fiscal year does not revert to the State General Fund, and the balance in the Fund must be carried forward.

3. All payments of principal and interest on all the loans made to a charter school from the revolving fund must be deposited in the State Treasury for credit to the revolving fund.

4. Claims against the revolving fund must be paid as other claims against the State are paid.

5. The Charter School Institute may accept gifts, grants, bequests and donations from any source for deposit in the revolving fund.

Sec. 40. NRS 386.577 is hereby amended to read as follows:

386.577 1. After deducting the costs directly related to administering the Fund for Charter Schools, the Charter School Institute may use the money in the Fund for Charter Schools, including repayments of principal and interest on loans made from the Fund, and interest and income earned on money in the Fund, only to make loans at or below market rate to charter schools for the costs incurred:

(a) In preparing a charter school to commence its first year of operation; and

(b) To improve a charter school that has been in operation.

2. The total amount of a loan that may be made to a charter school in 1 year must not exceed $25,000.
Sec. 41. NRS 386.578 is hereby amended to read as follows:

386.578 1. If the governing body of a charter school has a written charter issued pursuant to NRS 386.527, the governing body may submit an application to the [Department] Charter School Institute for a loan from the Fund for Charter Schools. An application must include a written description of the manner in which the loan will be used to prepare the charter school for its first year of operation or to improve a charter school that has been in operation.

2. The [Department] Charter School Institute shall, within the limits of money available for use in the Fund, make loans to charter schools whose applications have been approved. If the [Department] Charter School Institute makes a loan from the Fund, the [Department] Charter School Institute shall ensure that the contract for the loan includes all terms and conditions for repayment of the loan.

3. [The State Board:] Subject to the provisions of subsection 3 of NRS 386.540, the Charter School Institute:

(a) Shall adopt regulations that prescribe the:

(1) Annual deadline for submission of an application to the [Department] Charter School Institute by a charter school that desires to receive a loan from the Fund; and

(2) Period for repayment and the rate of interest for loans made from the Fund.

(b) May adopt such other regulations as it deems necessary to carry out the provisions of this section and NRS 386.576 and 386.577.

Sec. 42. NRS 386.610 is hereby amended to read as follows:

386.610 1. On or before August 15 of each year, if the board of trustees of a school district or a college or university within the Nevada System of Higher Education sponsors a charter school, the board of trustees or the institution, as applicable, shall submit a written report to the [State Board] Charter School Institute. The written report must include:

(a) An evaluation of the progress of each charter school sponsored by the board of trustees or institution, as applicable, in achieving its educational goals and objectives.

(b) A description of all administrative support and services provided by the school district or institution, as applicable, to the charter school.

2. The governing body of a charter school shall, after 3 years of operation under its initial charter, submit a written report to the sponsor of the charter school. The written report must include a description of the progress of the charter school in achieving its educational goals and objectives. If the charter school submits an
application for renewal in accordance with the regulations of the
[Department Charter School Institute, the sponsor may renew the
written charter of the school pursuant to subsection 2 of
NRS 386.530.

Sec. 43. NRS 386.745 is hereby amended to read as follows:
386.745 1. Except as otherwise provided in subsection 10,
the empowerment team of a public school, other than a charter
school that is sponsored by the [State Board Nevada Charter
School Institute or by a college or university within the Nevada
System of Higher Education, that develops an empowerment plan
pursuant to NRS 386.740 shall submit the proposed empowerment
plan to the designee of the board of trustees appointed pursuant to
this subsection for review and approval pursuant to this section. The
board of trustees shall designate a person to review each proposed
empowerment plan and recommend the approval or denial of the
plan to the board of trustees.
2. The board of trustees shall approve or deny the
empowerment plan. The approval or denial of an empowerment plan
must be based solely upon the contents of the plan and may not
consider the amount of money required to carry out the
empowerment plan if the plan is within the limits of the total
apportionment to the school pursuant to subsection 4 of
NRS 386.740.
3. Except as otherwise provided in subsection 10, if the board
of trustees approves an empowerment plan, the president of the
board of trustees, the principal of the public school and the chairman
of the empowerment team, if the principal is not the chairman, shall
each sign the plan. The empowerment plan is effective for 3 years
unless the empowerment team determines that the school will no
longer operate under the plan or the board of trustees of the school
district revokes the plan.
4. Except as otherwise provided in subsection 10, if the board
of trustees denies an empowerment plan, the board of trustees shall:
(a) Return the plan to the empowerment team with a written
statement indicating the reason for the denial; and
(b) Provide the empowerment team with a reasonable
opportunity to correct any deficiencies identified in the written
statement and resubmit it for approval. An empowerment plan may
be resubmitted not more than once in a school year.
5. Except as otherwise provided in subsection 10, an
empowerment plan for a public school is not effective and a public
school shall not operate as an empowerment school unless the plan
is signed by the president of the board of trustees of the school
district, the principal of the public school and the chairman of the
empowerment team, if the principal is not the chairman. If an
empowerment plan includes a request for a waiver from a statute contained in this title or a regulation of the State Board, the Nevada Charter School Institute or the Department, a public school may operate under the approved plan but the requested waivers from state law are not effective unless approved by the State Board pursuant to subsection 7.

6. Except as otherwise provided in subsection 10, the empowerment team may submit a written request to the board of trustees for an amendment to the empowerment plan approved pursuant to this section, including an explanation of the reason for the amendment. An amendment must be approved in the same manner as the empowerment plan was approved.

7. If the empowerment plan includes a request for a waiver from a statute or regulation, the board of trustees shall forward the approved empowerment plan to the State Board for review of the request for a waiver. The State Board shall review the empowerment plan and may approve or deny the request for a waiver from a statute or regulation unless the statute or regulation is required by federal law or is required to carry out federal law. If the statute or regulation for which the request is submitted is within the jurisdiction of the Nevada Charter School Institute, the State Board shall work in consultation with the Institute in reviewing the request and in making a determination on the request.

8. If the State Board approves the request for a waiver for a school, the Department shall provide written notice of the approval to the board of trustees of the school district that submitted the empowerment plan on behalf of the school.

9. If the State Board denies a request for a waiver, the State Board shall:
   (a) Return the request to the school district with a written statement indicating the reason for the denial; and
   (b) Except as otherwise provided in subsection 10, provide the empowerment team with a reasonable opportunity to correct any deficiencies identified in the written statement and resubmit it for approval. A request for a waiver may be resubmitted by the school district, after the empowerment team corrects any deficiencies, not more than once in a school year.

10. If an empowerment team has not been established pursuant to the exception provided in subsection 2 of NRS 386.730, the principal of the school shall carry out the responsibilities and duties assigned to the empowerment team pursuant to this section.

Sec. 44. NRS 386.750 is hereby amended to read as follows:

386.750 1. Except as otherwise provided in subsection 7, the empowerment team of a charter school that is sponsored by the [State Board] Nevada Charter School Institute or by a college or
university within the Nevada System of Higher Education which develops an empowerment plan pursuant to NRS 386.740 shall submit the proposed plan to the Department for transmission to the State Board for review and approval pursuant to this section.

2. The State Board shall review each proposed empowerment plan and approve or deny the plan, including a request for a waiver from a statute contained in this title or a regulation of the State Board, the Nevada Charter School Institute or the Department, if applicable. The approval or denial of an empowerment plan must be based solely upon the contents of the plan and may not consider the amount of money required to carry out the empowerment plan if the plan is within the limits of the total apportionment to the charter school pursuant to subsection 4 of NRS 386.740. If the charter school is sponsored by the Nevada Charter School Institute, the State Board shall work in consultation with the Institute in reviewing the plan and in making a determination on the plan.

3. Except as otherwise provided in subsection 7, if the State Board approves an empowerment plan, the President of the State Board, the principal of the charter school and the chairman of the empowerment team, if the principal is not the chairman, shall each sign the plan. The empowerment plan is effective for 3 years unless the empowerment team determines that the school will no longer operate under the plan or the State Board revokes the plan.

4. Except as otherwise provided in subsection 7, if the State Board denies an empowerment plan, the State Board shall:
   (a) Return the plan to the empowerment team with a written statement indicating the reason for the denial; and
   (b) Provide the empowerment team with a reasonable opportunity to correct any deficiencies identified in the written statement and resubmit it for approval. An empowerment plan may be resubmitted not more than once in a school year.

5. Except as otherwise provided in subsection 7, an empowerment plan for a charter school that is sponsored by the Nevada Charter School Institute or by a college or university within the Nevada System of Higher Education is not effective and a charter school shall not operate as an empowerment school unless the plan is signed by the President of the State Board, the principal of the charter school and the chairman of the empowerment team, if the principal is not the chairman.

6. Except as otherwise provided in subsection 7, the empowerment team may submit a written request to the Department for an amendment to the empowerment plan approved pursuant to this section, including an explanation of the reason for the amendment. An amendment must be approved in the same manner as the empowerment plan was approved.
7. If an empowerment team has not been established pursuant to the exception provided in subsection 2 of NRS 386.730, the principal of the school shall carry out the responsibilities and duties assigned to the empowerment team pursuant to this section.

Sec. 45. NRS 386.760 is hereby amended to read as follows:

386.760 1. Each empowerment school, other than a charter school that is sponsored by the Nevada Charter School Institute or by a college or university within the Nevada System of Higher Education, shall, on a quarterly basis, submit to the board of trustees of the school district in which the school is located a report that includes:
   (a) The financial status of the school; and
   (b) A description of the school’s compliance with each component of the empowerment plan for the school.

2. Each charter school that is sponsored by the Nevada Charter School Institute or by a college or university within the Nevada System of Higher Education which is approved to operate as an empowerment school shall, on a quarterly basis, submit to the Department a report that includes:
   (a) The financial status of the school; and
   (b) A description of the school’s compliance with each component of the empowerment plan for the school.

3. The board of trustees of a school district shall conduct a financial audit of each empowerment school within the school district, other than a charter school that is sponsored by the Nevada Charter School Institute or by a college or university within the Nevada System of Higher Education. Each financial audit must be conducted on an annual basis and more frequently if determined necessary by the board of trustees.

4. The Department shall conduct a financial audit of each charter school that is sponsored by the Nevada Charter School Institute or by a college or university within the Nevada System of Higher Education which operates as an empowerment school on an annual basis and more frequently if determined necessary by the Department.

5. On or before July 1 of each year, the board of trustees of each school district shall compile the reports and audits required pursuant to subsections 1 and 3, if any, and forward the compilation to the:
   (a) Governor;
   (b) Department; and
   (c) Legislative Committee on Education.

6. On or before July 1 of each year, the Department shall compile the reports and audits required pursuant to subsections 2 and 4, if any, and forward the compilation to the:
(a) Governor; and
(b) Legislative Committee on Education.

Sec. 46. NRS 387.124 is hereby amended to read as follows:

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the county. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the Nevada Charter School Institute or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus all funds attributable to pupils who are enrolled...
in the charter school but are concurrently enrolled part-time in a
program of distance education provided by a school district or
another charter school.

4. In addition to the apportionments made pursuant to this
section, an apportionment must be made to a school district or
charter school that provides a program of distance education for
each pupil who is enrolled part-time in the program. The amount of
the apportionment must be equal to the percentage of the total time
services are provided to the pupil through the program of distance
education per school day in proportion to the total time services are
provided during a school day to pupils who are counted pursuant to
subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233
for the school district in which the pupil resides.

5. The governing body of a charter school may submit a
written request to the Superintendent of Public Instruction to
receive, in the first year of operation of the charter school, an
apportionment 30 days before the apportionment is required to be
made pursuant to subsection 1. Upon receipt of such a request, the
Superintendent of Public Instruction may make the apportionment
30 days before the apportionment is required to be made. A charter
school may receive all four apportionments in advance in its first
year of operation.

6. The apportionment to a university school for profoundly
gifted pupils, computed on a yearly basis, is equal to the sum of the
basic support per pupil in the county in which the university school
is located plus the amount of local funds available per pupil
pursuant to NRS 387.1235 and all other funds available for public
schools in the county in which the university school is located. If the
apportionment per pupil to a university school for profoundly gifted
pupils is more than the amount to be apportioned to the school
district in which the university school is located, the school district
shall pay the difference directly to the university school. The
governing body of a university school for profoundly gifted pupils
may submit a written request to the Superintendent of Public
Instruction to receive, in the first year of operation of the university
school, an apportionment 30 days before the apportionment is
required to be made pursuant to subsection 1. Upon receipt of such a
request, the Superintendent of Public Instruction may make the
apportionment 30 days before the apportionment is required to be
made. A university school for profoundly gifted pupils may receive
all four apportionments in advance in its first year of operation.

7. The Superintendent of Public Instruction shall apportion, on
or before August 1 of each year, the money designated as the
“Nutrition State Match” pursuant to NRS 387.105 to those school
districts that participate in the National School Lunch Program,
42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district’s reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, he may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

Sec. 47. NRS 386.507 is hereby repealed.

Sec. 48. 1. Until the date on which the Director of the Nevada Charter School Institute is appointed pursuant to section 50 of this act, the Superintendent of Public Instruction shall administer the Account for the Nevada Charter School Institute created by section 27 of this act, including, without limitation, soliciting and accepting gifts, grants and bequests for deposit in the Account.

2. The Superintendent of Public Instruction shall periodically review the balance of money in the Account for the Nevada Charter School Institute and shall provide written notice to the Interim Finance Committee if, in the determination of the Superintendent, a sufficient amount of money has been deposited in the Account to establish and operate the Nevada Charter School Institute created by section 21 of this act. The Interim Finance Committee is not bound by the determination or recommendation of the Superintendent.

3. Upon receiving notice pursuant to subsection 2, the Interim Finance Committee shall independently determine whether a sufficient amount of money has been deposited in the Account for the Nevada Charter School Institute to establish and operate the Nevada Charter School Institute created by section 21 of this act. If the Interim Finance Committee determines that the balance in the Account is sufficient, the Committee shall, by resolution, set forth its finding of sufficiency.

4. If the Superintendent of Public Instruction has not provided written notice to the Interim Finance Committee pursuant to subsection 2 on or before June 30, 2010, the Superintendent shall, on or before July 1, 2010, submit a report to the Legislative Committee on Education which sets forth the balance of money in the Account for the Nevada Charter School Institute.

5. If the Superintendent of Public Instruction has not provided written notice to the Interim Finance Committee pursuant to subsection 2 on or before February 1, 2011, the Superintendent shall, on or before February 15, 2011, submit a report to the Director...
Sec. 49. If the Interim Finance Committee issues a resolution pursuant to section 48 of this act, within 60 days after the resolution is issued, the Department of Education shall transfer to the Account for the Nevada Charter School Institute created by section 27 of this act any unexpended money collected by the Department pursuant to NRS 386.570 for reimbursement of the administrative costs associated with sponsorship of charter schools sponsored by the State Board of Education.

Sec. 50. Notwithstanding the provisions of section 23 of this act to the contrary, if the Interim Finance Committee issues a resolution pursuant to section 48 of this act, within 30 days after the resolution is issued, the Governor shall appoint a Director of the Nevada Charter School Institute to a term of 3 years. Upon the expiration of the term of the Director or if a vacancy occurs before the expiration of the term, the Nevada Charter School Institute shall appoint the Director in accordance with section 23 of this act.

Sec. 51. 1. If a Director of the Nevada Charter School Institute is appointed pursuant to section 50 of this act, to assist the Nevada Charter School Institute created by section 21 of this act in carrying out its duties and responsibilities, the Director shall:
   (a) Hire an administrative assistant and an accounting assistant; and
   (b) Hire an educational consultant.

2. If the Interim Finance Committee issues a resolution pursuant to section 48 of this act, within 30 days after the resolution is issued, one management analyst position in the Department of Education with job duties and responsibilities that relate to charter schools must be transferred to the Nevada Charter School Institute.

Sec. 52. If the Interim Finance Committee issues a resolution pursuant to section 48 of this act, within 30 days after the resolution is issued, the members of the Nevada Charter School Institute must be appointed. Each appointing authority shall work in consultation to ensure that the initial terms of the members are staggered. For the initial selection, the Superintendent of Public Instruction shall designate the association of charter schools that is authorized to appoint a member of the Nevada Charter School Institute pursuant to paragraph (d) of subsection 1 of section 21 of this act. Upon the expiration of the term of a member or if a vacancy occurs before the expiration of the term, the vacancy must be filled by the appointing authority pursuant to section 21 of this act.

Sec. 53. The Legislative Counsel shall, in preparing the reprint and supplement to the Nevada Revised Statutes with respect to any
section which is not amended by this act or is adopted or amended by another act, appropriately change any reference to an officer or agency whose responsibilities have been transferred to pursuant to the provisions of this act to refer to the appropriate officer or agency. If any internal reference is made to a section repealed by this act, the Legislative Counsel shall delete the reference and replace it by reference to the superseding section, if any.

Sec. 55. If the Interim Finance Committee issues a resolution pursuant to section 48 of this act, a charter school that is approved to operate as a State Board of Education-sponsored charter school shall be deemed to be sponsored by the Nevada Charter School Institute commencing on the date on which all the members of the Nevada Charter School Institute are appointed pursuant to section 52 of this act and the written charter of the charter school shall remain in effect until the expiration of the written charter, unless the written charter is revoked by the Nevada Charter School Institute pursuant to NRS 386.535. Before expiration of the written charter such a charter school may apply to the Nevada Charter School Institute for renewal of its written charter pursuant to NRS 386.530.

The Department of Personnel shall maintain each such employee on the reemployment list for not less than 2 years, or until the employee is reemployed by the Executive Branch of State Government, whichever occurs earlier.
